Credit Card Authorization Form

I authorize Priority Appraisal, LLC to charge my credit card for services rendered (it is understood that once inspection is made, the appraisal fee has been earned and is non-refundable). My authorized signature on this form is not valid for any future, ongoing charges that I may choose to charge through Priority Appraisal, LLC. My authorization information is as follows:

Exact Name on Card: _____

For your protection, a **CCV (Credit Card Verification) number** on your credit card is required for processing. All credit card cards now being released have a three or four digit Credit Card Verification number issued on them.

The CCV is usually printed on the signature panel on the back of the card immediately after the card number or partial card number. For simplicity, the CCV is always the last 3 or 4 digits shown on the signature panel.
